PCI CERTIFICATION

MFLS is one of the first fulfillment centers to achieve the certification of compliance for the VISA CISP Program. To maintain CISP compliance, MFLS must adhere to the Payment Card Industry (PCI) data standard – safeguarding the sensitive data for all credit and debit card brands.

We are very, very flattered. With over 30 years of continued service in the fulfillment and logistics business, MFLS has achieved a level of service and a savvy eye towards the way this ever-changing industry works. That is why MFLS can handle your product using the most sophisticated and efficient value added services, plus EDI integration. To us, being imitated means that we are the innovators.

Our reputation precedes us — our experience benefits you.
